Redeemed by the blood of the lamb
 Redeemed, on Christ the solid rock I stand
 Was blind but now I see
 I was bound but now I'm free
 I thank you lord, I have been redeemed

Though my sins be red as scarlot
 He will wash them white as snow
 Though my sins be red as crimson
 He will make them white as wool
 Redemption, Salvation
 flows freely from nail scarred-hands
 His power has raised me, forgave me
 and I stand...
