There's a man that's sitting in a dark room
 Just wrote a letter that said goodbye
 Thinks the world would be better off without him
 He holds a gun against his head

It's not too late
 (Don't throw your life away, You've been lied to
 You're not a loser, You're not a lost cause)

Stop for a moment and listen to what the Father has to say...

You are loved, no matter who you are
 No matter what You've done
 No matter where You're coming from

You are loved, even when you fall
 You can hear this call ringing out loud and clear
 You are loved

There's a young woman walking down a dark street
 You can see sadness in her face
 She'll spend the night with anyone who's paying
 She's trapped in fear, guilt, and shame

It's not too late
 (Don't throw your life away, You've been lied to
 You're not worthless, You're not a throw away)

Stop for a moment and listen to what the Father has to say...
