Ritard

You are my supply
My breath of life
And still more awesome than I know
You are my reward
worth living for
And still more awesome than I know

You're my sacrifice
Of greatest price
And still more awesome than I know
You're the coming King
You are everything
And still more awesome than I know

All of You is more than enough for all of me
For every thirst and every need
You satisfy me with Your love
And all I have in You is more than enough

More than all I want
More than all I need
You are more than enough for me
More than all I know
More than all I can say
You are more than enough for me
