Chorus 3,4 C G D m F

Outro C

Slow down, be still
Let go, we will
Be here, be now
Slow down, be still
Breathe in, refill
Be here, be now

Slow down, just breathe
Be still, believe
Be here, be now
Slow down and see
It's all you need
Be loved and free

Rise, rise, people of love rise
People of love rise, give yourself away
Rise, rise, people of love rise
People of love rise, give yourself away
Give yourself away, give yourself away

If you choose to love
To know that the call
Is to give all you are
To give love away, away

And to hear the call, is to give your love away
And to hear the call, is to give your love away
And to hear the call, is to give your life away
Is to give your life away
