Praise the Lord!

Greeting in the wonderful name of Jesus, our dear! We hope you had a wonderful Christmas and a happy New Year's.

We have some wonderful updates to share with you! We give thanks to God for allowing us to serve people in the countries of former Soviet Union. Before I go any further, I would like to take this minute and to thank you so much for your prayers and continuous and tremendous help support. Because of you we were able to prepare special food boxes for many needy families within the church and the community! Each package has all kind of groceries, candies for the kids and of course Bible. This season we distributed over 200 packages and Christmas gifts. In addition to that we were able to hold a special revival at the church in Russia. The service was packed! The power of the Holy Spirit moved in a great way!

By grace of God, we have visited 3 orphanages and were able to show the love of Jesus to many lonely children. Our team of ministers showered the children with Christmas gifts, toys, clothes, and sweets.

And of course, the main gift was a Bible!
We were also able to bless many widows with money, groceries, and even helped to pay utility bills.

In our part of the World, we are trying to use any open opportunity to witness to people and to tell them about the Lord. At the Rehab Center, on the border of Russia and Belarus, we decided to do something different...something we've never done before. At first, we were very nervous about it, but as we were getting ready for it, we just felt more and more peace about it. We assembled over 1200 little boxed gifts and put them on large Christmas trees in different parts of town. We handed out every one of those little gifts which blessed so many! Each box contained a New Testament Bible, a few candies, & an invitation to come to church. Being able to bless others with the love of God during this holiday season was such a wonderful experience. We have already had several people, even families, visit the church as a result of this outreach program.

We would like to thank you so much for your tremendous support which makes these efforts possible! Because of you showing the love of our Lord Jesus Christ, so many lost souls are being reached! We are praying the Lord's abundant blessing over you! We love and appreciate you! Please continue praying for us, for entire ministry team and the work of the Lord in former Soviet

We love and appreciate you all!

Union.
