Praise the Lord!

We greet you in the most wonderful name on Earth - the name of Jesus. We do hope this letter finds you well. Today we would like to give you the details of the last (4th) kids and youth camp we had this year. Thank you so much for making it possible thru your prayers and continuous and tremendous help and support! We appreciate you greatly.

First of all, we would like to tell you that for this camp in Belarus we were able to rent a former communist and atheist camp facility. It was built many years ago to teach the kids and youth that God does not exist, Bible is not true and Christianity is dead.

ABC Ministries

Praise God now we are at the same location preaching the Gospel of our Lord Jesus Christ and teaching hundreds of kids and youth that Jesus is real and alive and Bible is His true Word! Just think about it! God deserves all the glory and praise!

It was an amazing time in the Lord where we had way over 100 kids/youth/adults. The Lord's power was amazing: many repented from their sins, were filled with His Spirit and were baptized in the water in the name of the Lord!

The people couldn't wait to get baptized in a very nice warm water baptismal tank that you helped us to build, but they wanted to do it right there and then! Praise God it's a private property and it has a private lake and we were able to baptize people then without any danger for them.

ABC Ministries

Because of your wonderful help and support we were able to provide them all with transportation, lodging, delicious food three times a day, fun activities and Bibles and other needs.

You know me, that I do not like to complain and share not so good news with you, but unfortunately the last day of the camp Pastor Sergey's van broke down. It was not good.... It seems like something happened to the engine. We're trying to figure out what do we need to do to fix it now.

Bibles tell us that "Heavens are rejoicing...", so please rejoice with us! Thank you so much for who you are and everything you do for saving souls on the other side of the Globe!

All these 4 camps we had this year in both Russia and Belarus were only possible through your faithful and continuous help and support. We are praying the Lord's abundant blessing over you! We love and appreciate you! Please continue praying for

us, for entire ministry team and the work of the Lord in former Soviet Union.
