

A dramatic scene featuring several thick, dark metal chains that have been broken into pieces. The broken links are scattered across the frame, some still attached to a dark, textured wall on the left. In the center background, a bright, glowing light source, possibly a candle or a small fire, illuminates the scene, casting a warm glow and creating a hazy atmosphere. The overall color palette is dark, with the bright light providing a stark contrast.

BREAKING CHAINS

FREEDOM WITHOUT SHAME

Need a fresh start?

This series is for anyone who feels stuck.

COMING UP IN FEBRUARY:

Feb 1 - Name the Chain. Break the Shame
