

“Jingle Jangle” Instructions

The Concept: Players will be given a jingle or slogan and have to guess the company or product that used it during the 80’s, 90’s or 00’s.

Items Needed: Worksheet (included as a separate PDF file)

Instructions: This game is an individual game. Pass out the worksheets to the players so they can record their answers. The questions will come up one by one and once they are all shown, the answers will be given. The players will have to come up with the answers on their own for the odd numbered questions, and will be given multiple-choice options for the tougher even numbered questions.

Scoring: One point for each correct answer. There’s a chance that quite a few of your group will be tied after the game is over. The tiebreaker asks them to guess the year that three fast food restaurants were founded. The closest player to the correct year is the winner.
