

“Get the Picture 2” Instructions

The Concept: The players will be shown a child’s drawing and have to guess what the kid was trying to draw.

Items Needed: Worksheet (included as a separate PDF file)

Instructions: This game can be played as an individual or team game. Pass out the worksheets to each person or group for them to mark their answers.

The picture will come onto the screen with three multiple-choice answers. Teams will need to pick an answer and mark it on the worksheet. If you are playing it as an individual game, you can have the kids vote after writing their answers on the worksheet – “How many of you think it’s A?” The kids raise their hands, etc. If you are playing it as a group, the teams can advise the leader of their choice once they have decided and jotted it down. The answer will be revealed and the kids will ponder how they managed to pick the wrong answer yet again.

Scoring: One point for each correct answer. There’s a tiebreaker if any of the teams are tied after the last question.
