

“Is It In The Book: Everyday Sayings” Instructions

The Concept: Players will have to figure out if the everyday sayings came from phrases in the Bible.

Items Needed: Frank/Prank cards (included as a separate PDF file).

Instructions: This game can be played as a team or individual game. If you play it in teams, split your group up and provide each team with a set of Frank and Prank cards. If you play it as an individual game, give every player a set of Frank and Prank cards.

Each question is a saying that may or may come from a phrase found in the Bible. It’s basically a true/false setup, but the answers are given as “Frank” or “Prank” instead – are we being frank and showing a phrase that is in the Bible, or are we playing a prank and making it up?

After each Frank or Prank question is displayed, the teams or individuals will decide on an answer. Once everyone has made up their mind, the game leader will give a signal or count down from three and all the players/teams will simultaneously hold up the Frank or Prank card.

Scoring: One point for each correct answer.
