

Worship Pastor

Life.Church is making a lasting difference around the world by leading people to become fully devoted followers of Christ. We are one church in multiple locations, meeting in seven states and globally at Church Online. We are risk-taking, irrationally generous, spiritual contributors who bring our best, laugh hard, and honor God with integrity. You can be part of this growing and dynamic church.

At Life.Church, worship is more than the music before a sermon. Worship happens beyond the walls of the church every day. The responsibility of a Worship Pastor is to lead others to live their lives like the lyrics of a song, continually praising God for His love and goodness. If you agree, you could be what we're looking for.
