

## ABC Ministries

Greetings in the wonderful name of Jesus! We pray and hope this newsletter finds you well. Today, we will be sharing some plans for this summer and fall with you. As you might be guessing by now, I will be talking about the camps we do during this season. About 15 years ago, the Lord put it on my heart to start having camps for young people, kids, and families. I will never forget the first camp we had when our oldest son Samuel was just about 1 year old. It was an amazing time in the Lord and we probably had about 20-25 people there. Many repented from their sins and gave their hearts to the Lord.

Fast forward to today: last year we had 4 camps in Russia and Belarus and had well over 400 people there. I can tell you now that it is happening because of your great and continuous help and support! There is absolutely no way we could have done them without you. We are very grateful and thank God for you!

This year we are planning to have camps as well; in Russia we will be having camps in the mountains, and in the country of Belarus, we will be renting a former communist youth facility for our camps.

## ABC Ministries

In addition to the 4 camps we are planning to have this year, our desire and prayer is to have a camp at our Rehab center for former alcoholics and drug addicts. At this Rehab center, we have about 50 people who are starting a new life in Christ Jesus and are being delivered from alcohol and drugs.

Many of these people at this center have children, but the government takes the kids away from them due to drug and alcohol addictions and puts them in orphanages or foster care. Our desire is to have a camp at the Rehab center and to bring these kids and to reunite them with their parents at least for a week. We will also be inviting children and parents from the community (which is about 40 miles away) to come to this camp. We will be providing lodging, transportation, 3 delicious meals a day, fun activities, Bible studies and beautiful fellowship! We will be having 2 services a day and we are praying for God's presence to touch hearts! At the end of the camp, we will be giving each person a gift: a Bible! Thank you so much for helping us in purchasing all these thousands of Bibles.

Pastor Maxim's van that you helped us to repair after the accident will be used to cover all the transportation needs there! So, we are expecting a very busy Summer and Fall time with these camps. Lord willing, we are planning on having over 500 people in camps this year. We would like to ask you please pray for us: please pray for many souls to get saved and to get to know Jesus Christ and start serving Him. We need your prayers and support so much!

Thank you so much for your open hearts to the people across the globe. Please receive our deepest gratitude for sowing into the lives of so many people. May the Lord bless and reward you richly and greatly.

We appreciate and love you all!

God bless you!
