Dear Family,

Even in tough years, God is good! Even in crazy times, the people of God are faithful. We were blessed with tithes & offerings of **\$90,238**. This surpassed giving in our previous years. We are so thankful for this provision. **Because of your giving we were able to do mighty things in 2023.**

Your gifts have made it possible to support the work of Jesus Christ locally, regionally, and around the world. We were able to help local families in their time of need. Your gifts also reached missionaries in **Maykop, Russia, Beirut, Lebanon, Asia, Cuba**, and here in **Texas**! Praise the Lord!

We are so excited to be a part of what God is doing in other places, but we are also excited about what God is doing right here. Your gifts made it possible to invest in new live-streaming technology that is being used to reach many each & every Sunday. Connect Groups & 1st Tuesday Worshipers were supported by your offerings as well as benevolent care in this community. We were able to help many new friends find stability and also find salvation.

Attached is an itemized statement of your contributions for 2023, according to our records. If you have any concerns about the accuracy of this information, please let us know.

For income tax purposes it is important for us to state here that you did not receive any goods or services in return for any of these contributions other than intangible religious benefits. You made these gifts out of your own generosity and commitment to Jesus Christ.

Once again, thank you for your loving commitment to the work of Jesus Christ through His church.
